YYFAP is a
501(c)(3) charitable
organization.
Donations are tax
deductible within
the limits of the law.

June 2009

Dear Donor:

YYFAP, the City of Yachats, and a diverse team of local residents have been working for over a year on a project that will greatly benefit your community – an expansion and enhancement of the Yachats Commons. Through this letter, we are inviting you to become a part of it.

Please consider donating to the project and helping this dream become reality here in Yachats! With your donation, more local children and youth will become better educated by participating in after school activities promoting positive youth development. You will make possible the addition of a daycare services, and the expansion of inter-generational activities. With your support, our community will benefit and perhaps most importantly, you will become part of an effort that leaves this legacy to generations in our future.

Your donation, *whether \$100,000 or \$100*, will move us toward our goal of raising \$1.2 million locally. Many team members, as noted, have been working on the project for a while. In fact, we are pleased to share that the team has already raised more than \$150,000 of which \$75,000 has been issued as a *challenge!* In other words, for every \$100 donated, your donation actually becomes \$200 as the match is met. Won't you please help us reach this match?
